

## Environmental, Health, and Safety Policy

Chase Corporation is committed to:

- Complying with all applicable environmental, health, and safety laws and regulations as well as internal standards.
- Operating our business with minimal environmental impact as well as maintaining a safe and healthy workplace for persons working for and on behalf of our organization.
- Prevention of pollution and protection of the environment through Continual improvement of our environmental, health, and safety performance.

To meet our commitment we will:

- Implement and maintain a management system in which all employees will participate.
- Set meaningful objectives and targets.
