nga global assurance

This is to certify that the Quality Management System of:

# **Chase Corporation (HQ)**

295 University Ave. Westwood MA 02090 United States of America

(Central function listed above. See appendix for additional locations)

applicable to:

Design and manufacture of conformal and liquid coatings, rubber coated fabric tapes, super absorbent polymers, reactive polymer materials, laminated film/foils and paper for the electronics, automotive, power cable, industrial, medical, packaging, construction markets and specialty chemical intermediate segments.

has been assessed and approved by National Quality Assurance, U.S.A., against the provisions of:

# ISO 9001:2015

For and on behalf of NQA, USA

Certificate Number: 14619 EAC Code: 14 Certified Since: January 29, 2013 Valid Until: January 3, 2025 Reissued: January 4, 2022 Cycle Issued: January 4, 2022

nqa global assurance

Appendix to Certificate Number: 14619

# **Includes Facilities Located at:**

## Chase Corporation (HQ)

Certificate Number 14619 295 University Ave. Westwood MA 02090 United States of America

# Chase Protective Coating Ltd.; Chase Corporation

Certificate Number 14619 Harbour Road, TN31 7TE Rye, East Sussex TN31 7TE United Kingdom

#### **Chase Coating And Laminating**

Certificate Number 14619 24 Dana Road Oxford MA 01540 United States of America

#### **Resin Designs**

Certificate Number 14619 39714 Eureka Drive Newark CA 94560 United States of America Corporate office for the Chase organization. Activities include purchasing, customer service, design and development engineering, quality assurance and global operations leadership.

The development, manufacture and supply of self adhesive bituminous membranes, petrolatum tapes, bituminous tapes, mastics and anti-corrosion specialized coatings for the oil, gas, water, waste water, petrochemical, energy, marine, pipeline and construction Industries

Design and manufacture of fabricated rubber and laminated plastic film, papers, fabrics, and metal foil products for the power cable and communication, industrial, medical and packaging markets.

Design, Development and Manufacture of Reactive Polymer Materials, Preforms and Films used in Microelectronics, Automotive and Aerospace Applications.

> Certified Since: January 29, 2013 Valid Until: January 3, 2025 Reissued: January 4, 2022 Cycle Issued: January 4, 2022

Appendix to Certificate Number: 14619

# **Includes Facilities Located at:**

#### C.I.M. Industries

Certificate Number 14619 6900 Nelms Street Houston TX 77061 United States of America

#### NEPTCO, Inc.

Certificate Number 14619 2012 Hickory Blvd. Lenoir NC 28645 United States of America

### Chase Corporation (Blawnox)

Certificate Number 14619 128 First Street Pittsburgh PA 15238 United States of America

## Tapecoat Co.

Certificate Number 14619 1527 Lyons Street Evanston IL 60201 United States of America Manufacture of sealants, adhesives and coatings for a variety of industrial markets.

# The manufacture and supply of coated, laminated and printed films and foils.

Manufacture of elastomeric tapes and membranes for the electronics, oil and natural gas pipeline and highway construction industries

Design and manufacture of coating products for infrastructure corrosion control.

Certified Since: January 29, 2013 Valid Until: January 3, 2025 Reissued: January 4, 2022 Cycle Issued: January 4, 2022
