Announcement

I am pleased to announce that Peter R. Chase will be moving into the role of Senior Advisor effective today.

Peter joined Chase Corporation in February 1972 as the Plant Manager of the Chase & Sons Division's Randolph, MA facility with his career progressing throughout the years to his ultimate appointment to the Executive Chairman role.

Under Peter's leadership the Company grew to become a successful, professionally managed, and well-respected public company.

Please join me in congratulating Peter on his exceptional career and welcoming him to his new role with the Company.

Adam P. Chase
President & CEO
